¹ Final tuition fee is subject to no. of credit points taken per academic year

[Notes about the scholarship details](#)

² Award Criterion:

- New students admitted with a Five Subject Point (FSP) of 25 (equivalent to '55555') or above and in the same sitting of the current HKDSE Examination
- Annually renewable for progressing students subject to the attainment of a CGPA of 3.50 or above at the end of each academic year, with a minimum study load of 30 credit points in each academic year (the credit points obtained by way of credit transfer/module exemption are excluded.) Other conditions are available from THEi's webpage.

³ Eligible awardees are required to first pay the tuition fee, after netting off the subsidy amount, one month before the semester commencement. Scholarship is to be released in 2 installments, normally in November (Semester 1) and February (Semester 2).

⁴ The Study Subsidy Scheme for Designated Professions/Sectors (SSSDP) is subject to annual review
