

Professional Certificate in Turfgrass Science and Management

草坪科學與管理專業證書

Offered by Faculty of Design and Environment, THEi

Programme Code: DS524103

QF Level: 4

Programme Description

The Professional Certificate in Turfgrass Science and Management aims to equip students with a solid understanding and foundation in both theoretical and practical knowledge of turfgrass science and management for workplace application in the greening and landscaping industry of Hong Kong. In addition, the Programme reflects shifting values in the turfgrass management. These include a greater emphasis on the notion of sustainable development and the multi-disciplinary nature of the greening and landscaping industry. Furthermore, the Programme will prepare them to pursue lifelong professional development.

Teaching Staff

Qualified teaching staff will include teachers from experienced specialists and professionals in the related field from both the public and private sectors.

Duration

12 months to 24 months

Delivery Mode

Part-time, weekday evening and/or weekend classes

Venue

Technological and Higher Education Institute of Hong Kong (Chai Wan Campus)
133 Shing Tai Road, Chai Wan, Hong Kong
