Bachelor of Arts (Honours) in Professional Accounting
專業會計（榮譽）文學士

Programme Overview
This programme aims to equip students with a solid foundation of knowledge and skills in professional accounting that will prepare them to become competent accountants shortly after graduation, and to ultimately be able to assume managerial roles in professional accounting and related practices.

Students will be trained in the areas of accounting, finance, and corporate governance in a local, national and global context. The programme also develops students’ sensitivity and creativity in accounting and management of corporate financial resources to meet the needs and development of the business environment in Hong Kong and Mainland China.

Career Outcome
Graduates are expected to take up entry-level positions in professional accounting firms and in business or government organizations such as audit, taxation or management trainees and accounting officers. They shall be able to perform with short learning curves in the workplace and understand the strategic roles of business with managerial perspectives. After gaining sufficient work experience, they shall be ready for further progression to managerial roles in their fields as professional accountants or department managers.

Professional Recognition
Accredited accountancy degree programme by:
- The Hong Kong Institute of Certified Public Accountants (HKICPA): under the Qualification Programme (QP); and
- CPA Australia: under the CPA Programme.
Accredited exemptions from:
- The Association of Chartered Certified Accountants (ACCA) for Papers F1 to F9;
- The Chartered Institute of Management Accountants (CIMA), and
- The Hong Kong Institute of Chartered Secretaries (HKICS) for 4 subjects under the International Qualifying Scheme (IQS).
Industry Endorsement

“The Bachelor of Arts (Hons) in Professional Accounting programme offered by the Faculty of Management and Hospitality (FMH) of THEi features a fine balance of theory and practice, with work-integrated learning and industrial attachment. Students are able to apply what they learn from classrooms and gain practical experience in the industry. I strongly believe that graduates from FMH would be well received by employers.”
